Hotel Owners,

Jodi Nielsen with Cost Segregation Services, Inc. (CSSI) was referred to us to do a Cost Seg. study. She explained everything, and the process was simple. Every hotel owner should look at having a study performed, as it is highly beneficial for tax purposes.

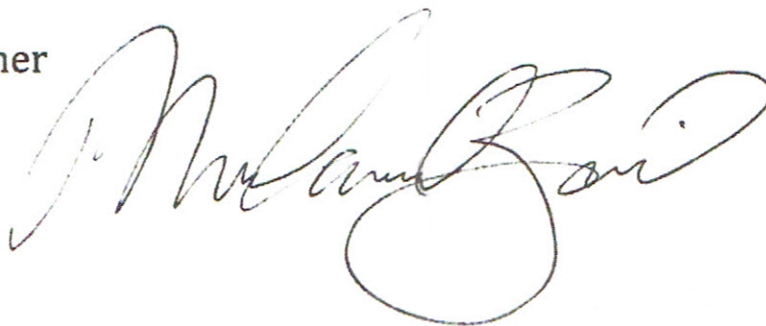

Whether you have bought or built new, have owned your hotel for a while or are doing improvements, the no charge analysis Jodi provides will let you see what your "GREAT" tax benefit will be.

CSSI delivered way above our expectations. I'm very pleased with our study and recommend Jodi Nielsen to other hotel owners.

Thank you

Muhammad Zahid,

Owner
