Dear Building Owners,

As a CPA and commercial building owner, I would highly recommend using CSSI and Jodi Nielsen. Our tax benefit was substantial and they over delivered which was a nice bonus.

Engaging CSSI is an easy business decision, as there is no downside risk. You get a free analysis, and if the cost savings exceed the cost of CSSI services, then you engage them. If the cost savings are not justified, you pay nothing.

I would use CSSI again and would highly recommend them.

Sincerely,

*Janelle R. Riley*
