Exactly what you've been looking for.

Dear Jodi,

We were referred to Jodi and Cost Segregation Services, Inc (CSSI) from our business partner for a Cost Segregation study. It is a perfect solution, if you would like to pay less in taxes. The process was easy. It was a pleasant surprise that CSSI was able to find even more \$\$ than what the original predictive analysis showed.

I would highly recommend using Jodi Nielsen. She'll run a No charge/ No obligation analysis so you can see what your Tax benefit will be and cost of the study.

Thank you,

James Fritz - Owner
